

LHT2436
36 VOLT
24 IN. DUAL ACTION
HEDGE TRIMMER

KICK GAS™ with a hedge trimmer that offers power, runtime and versatility, all without the weight, noise and hassles of gas-powered equipment.

FEATURES

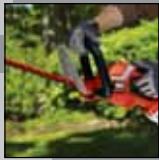

POWER DRIVE™ TRANSMISSION

provides more cutting force to cut 2x more branches at one time*

HIGH PERFORMANCE LITHIUM ION BATTERY

the new generation of battery technology - holds a charge 5X longer when idle**

DUAL-ACTION BLADE

for less vibration while trimming compared to single-action blade models

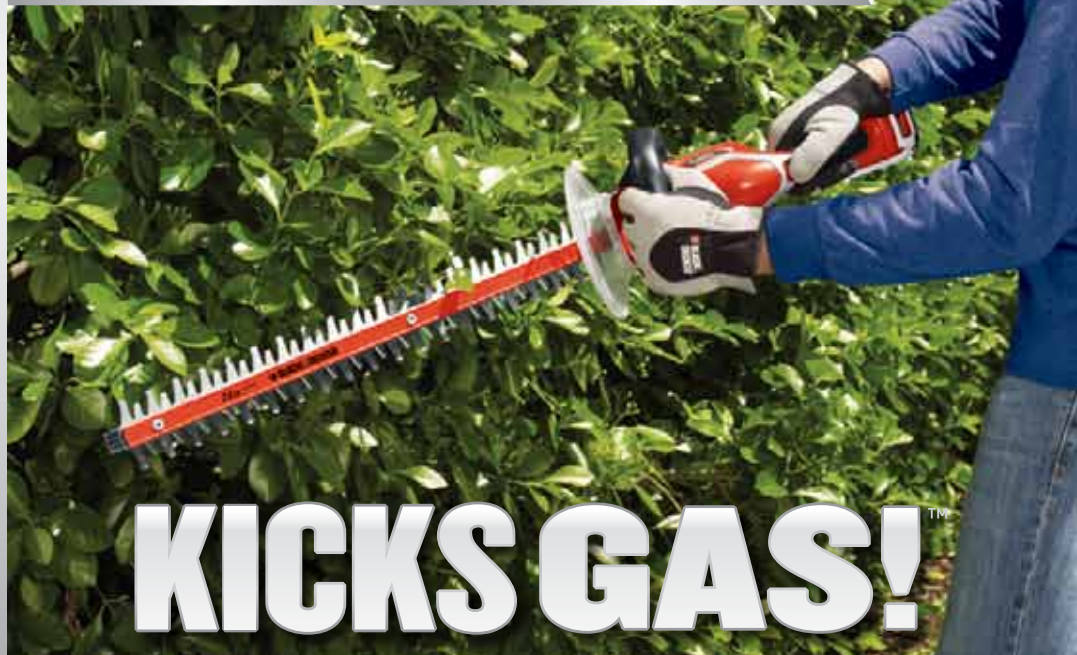

24 IN. EXTENDED REACH BLADES

trim more in less time than shorter blade trimmers

CUT CAPACITY UP TO 3/4 IN.

*branches up to 3/4 in. wide, compared to Black & Decker model #NHT524
 **compared to HPB18 NiCd battery packs
