

**LSWV36
36 VOLT
HARD SURFACE
SWEEPER/VACUUM**

KICK GAS™ with the first hard surface sweeper to easily convert to a vacuum. It also offers power, runtime and versatility without the weight, noise and hassles of gas-powered equipment.

FEATURES

POWER+ COMMAND™

variable speed setting to match your task: powerful performance or optimal runtime in blowing or vacuuming modes

HIGH PERFORMANCE LITHIUM ION BATTERY

the new generation of battery technology - holds a charge 5X longer when idle*

MULCHING FUNCTION

reduces volume of dried leaves at up to 6:1 ratio**

SWEEPER MODE

ideal for sweeping dried leaves from patios, decks, sidewalks, garages and more

VACUUM MODE

perfect for vacuuming dried leaves and debris from hard surfaces

*compared to HPB18 NiCd battery packs
**not recommended for collecting wet leaves

KICKS GAS!

36v LITHIUM

PRODUCT FACTS

VOLTS 36V
AIR SPEED 120 MPH
MULCH RATIO 6:1
SWEEPER WEIGHT (WITH BATTERY) 5.4 LBS.
VACUUM WEIGHT (WITH BATTERY) 6.8 LBS.

INCLUDES

LSWV36
 (1) 36V Lithium Ion Battery
 (1) Fast Charger
 (1) Vacuum Tube
 (1) Blow Tube
 (1) Bag Assembly
 (1) Fan Cover
